ORDER DENYING DEFENDANT'S  
MOTION FOR TRANSFER OF VENUE

On December 21, 2010, the court held a hearing on defendant's motion for transfer of venue. Counsel for the parties appeared and argued at the hearing. After consideration of the arguments presented in the briefs and at the hearing, the court finds that, at this time, defendant did not meet its burden of showing that fairness and practicality strongly favor transfer of the case to the United States District Court for the Northern District of New York. For the reasons stated on the record, defendant's motion for transfer of venue is denied without prejudice.

IT IS SO ORDERED.
